UNSTARRED QUESTION NO:3228
ANSWERED ON:14.12.2005
CIVIC AMENITIES PROPOSALS FROM TAMIL NADU
Kharventhan Shri Salarapatty Kuppusamy

**Will the Minister of URBAN DEVELOPMENT be pleased to state:**

(a) whether the Government has received any proposals from Tamil Nadu to improve the water, sewage and waste disposal system in various cities and towns during the last three years till date;

(b) if so, the details thereof;

(c) the details of proposals approved/rejected/pending during the said period; and

(d) the funds allocated/utilized for the purpose during this period?

## Answer

ANSWER MINISTER OF URBAN DEVELOPMENT AND CULTURE ( SHRI S. JAIPAL REDDY )

(a)to(c): Yes, Sir. Government has received proposals from Tamil Nadu to improve the water and sewage system in various cities and towns. To improve the water supply for towns with a population of less than 20,000, there is scheme of Accelerated Urban Water Supply Programme (AUWSP). Details o f proposals received under scheme o f Accelerated Urban Water Supply Programme (AUWSP) are given in Annexure-I. Out of 58 proposals received under AUWSP, 57 proposals have been approved with a total estimated cost of Rs. 47.3334 crore and remaining one scheme for the town Musiri in Trichy district had been withdrawn by the State Government. No proposal has been received during the current financial year under AUWSP as the programme has been subsumed in Urban Infrastructure Development Scheme for Small & Medium Towns (UIDSSMT). No proposal under AUWSP is pending with this Ministry for want of approval. Govt. of Tamil Nadu has also forwarded the following water supply projects for seeking assistance from the World Bank and seeking financial assistance from the Govt. of India:

| Sl. | Name of the scheme | Estimated Cost (Rs. in crores) |
|---|---|---|
| 1. | III Chennai Water supply and Sanitation Project in Chennai | 750.00 |
| 2. | Desalination Plant for Chennai city | 1750.00 |

Moreover, 3 proposals on water supply and sewerage under Jawaharlal Nehru National Urban Renewal Mission (JNNURM) were received. The details are given in Annexure-II. Govt. of Tamil Nadu has informed that 4 proposals for sewerage were sent to Ministry of Environment & Forests under on-going National River Conservation Programme (NRCP). Details are given in Annexure-III.

(d): Details of funds allocated and utilized under AUWSP during the last three years and the current year are as follows :

| Year of funds | Final allocation (Rs. in lakhs) | Funds released |
|---|---|---|
| 2002-03 | 813.16 | 813.16 |
| 2003-04 | 823.48 | 653.41 |
| 2004-05 | 880.90 | 808.19 |
| 2005-06# | -- | 106.90 (Upto 9.12.2005) |

# No state-wise allocation has been made for 2005-06 as the scheme has been subsumed with the new scheme of UIDSSMT. Committed liability of central share for ongoing schemes will only be released subject to fulfilment of conditions laid down for release on first come first served basis. Against the balance committed liability of Rs. 411.94 lakh for Tamil Nadu, Rs. 106.90 lakh have been

released so far and the balance fund will be released for other on-going projects subject to the fulfilment of the criteria for release of next instalment by the Government of Tamil Nadu.
